MEMBERSHIP REGISTRATION

To all Paramedics and Emergency Medical Personnel who ride motorcycles .

As a member of the Gold Wing Touring Association for over five years I have met a lot of very nice people and have developed some strong friendships . I have met couples from the Red Knights and the Blue Knights . After spending time with these great folks , I thought , why not have an organization for the Ambulance Service and other Emergency Medical Personnel . That has been a dream of mine for some time . As of July 3rd. 1998 , a new organization was formed called the EMS White Knights . After an extensive name search in Canada and the United States , the EMS White Knights Motorcycle Association was internationally registered . Now my dream was starting to become a reality .

I have always enjoyed my work , but even more so the people I have worked next to . All I need now are members of the Ambulance Service and other Emergency Medical Personnel around the world to come forth and make the Association grow . I am hoping this organization will put the Ambulance Services and Emergency Medical Personnel into the forefront of the public eye .

The Association would ride together with other Motorcycle organizations . We will be involved in special events and charity rides like the Canada wide Ride for Sight to provide emergency medical care . Through a joint effort our membership could develop a ride or event organized solely by the EMS White Knights , open to all other motorcycle associations and the general public .

There are endless possibilities before us . Lets get together and have some fun , meet new friends , say hello to old friends while serving our local communities and be proud representatives of EMS . I hope to hear from all of you Jack Baker , Paramedic (Retired) , Toronto Ambulance Services .

To register with the EMS White Knights please fill out the following application along with a photocopy of your Service ID for full membership . A photocopy of your certificate of qualification with the minimum of Standard First Aid and CPR is required for associate membership . Associate memberships cannot exceed 25% of the total membership of a chapter , 75% of which must be paramedic's . There is a membership fee of \$15.00 for the primary member and \$10.00 additional for a second family membership . The primary applicant must own a motorcycle and be licensed and insured to ride as well as meet the minimum requirements for membership . The applicant for a family membership must also meet the minimum requirements for membership . There are crests available as shown above for \$7.00 Canadian each . If we are out of stock on the crests we may have to wait for more members to order them before we can place a new order with the supplier . Please mail to the address at the bottom of the registration form .
